

Marking Permit

No 210-04-0137

The Swedish National Testing and Research Institute (SP)
hereby grants

Glaspol Sp. z o.o, Gdynia

the right to mark the following product with the
above certification mark

Sealed glazing units according to SPF Isolerrutor – Tillverkningskontroll

The certification mark confirms that the product complies with the requirements of the SP certification provisions (SPKB). This signifies that the product is type-controlled by SP. In accordance with the agreement the manufacturing is subject to continuous production control carried out by the supplier and regularly verified by SP. In addition SP has the right to control that marked products for sale on the market comply with the requirements of the SPKB provisions.
